

Guest Lecture By Dr. N.N. Karde

A guest lecture was conducted for PG students of chemistry on 28/04/2022. The resource person Dr. N.N. Karde Professor Department of Chemistry was heartily welcomed by Principal Dr. M.P.Dhore. The session was very interactive and ended with an enormous discussion with students. The resource person had an unflinching commitment and ardent passion for teaching. He discussed numerical Stereochemistry and he motivated students to do and improve their carrier opportunities.
