Department of Chemistry

Organizes Programme

“Plant Trees to Save Earth”

on

Date: 12th Oct 2021

On the occasion of the “Save Earth Project” the Department of Chemistry, Shivaji Science College Nagpur, organized a sapling distribution program on 12th Oct 2021 for Non-teaching staff. Head of the Chemistry department Dr. R.U.Khope highlighted the factors responsible for the rapid climatic and environmental changes taking place due to deforestation, he stressed the need to protect and conserve the earth, individuals should

take responsibility by planting saplings either to celebrate occasions like birthdays or anniversaries.

More than 50 fruit-bearing, flowering saplings, and vegetable seeds were distributed to the Non-teaching staff of Shivaji Science College, Nagpur.

The program was initiated by Dr. Reshal Deshmukh, Professor Department of Chemistry.

All the Staff members and Nonteaching Staff members were present on this occasion.

Dr. Y. K. Meshram proposed a vote of thanks.
