**Student Induction Programme (SIP)**

**Session 2022-2023**

Shivaji Science College conducted three days Student Induction Programme (SIP) from 24- 29 August 2022. The three-day induction program commenced with the theme as per UGC mandate. The Purpose of the Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

The programme was scheduled into three sessions each day, 1<sup>st</sup> day was the inauguration of SIP and it ended with an introductory part given by convener and principal followed by splitting groups for Sports/Cultural activities. The inauguration function was scheduled on Wednesday 24<sup>th</sup> August 2022. The programme started at 11 am in the presidential presence of Principal Prof. M. P. Dhore, Convener Prof. S. W. Anwane and Chief guest Dr. Surendra Gole, Co convener Ms. P. B. Zamarkar, Dr. P. N. Deshmukh, Staff members and Students of B.Sc. and B.C.A. first year. SIP was started with the lighting of lamps and giving tribute to Dr. Punjabrao Bhausahab Deshmukh, Rashtrasant Tukadoji Maharaj and Goddess Saraswati. During the inaugural program Principal of SVPCET Dr Suresh Gole interacted with the students as a guest speaker and discussed the “universal human values” with the newly inducted students. He said that Students should distinguish between values and skills and understand the need for value education. Students should also initiate dialog within themselves to know what they ‘*really want to be*’ in their life and profession. Later in the second session Convener Prof S. W. Anwane

addressed the introduction and importance of SIP. Principal Prof. M. P. Dhore in his address to his students said that in this college social values and thoughts are deeply rooted in the inspiration of Bhausaheb Deshmukh. We carry the legacy of the thoughts and values he inculcated. We all get inspiration from this. This is a great opportunity for all the newly admitted students to showcase their skills for the next three years i.e. till graduation.

The 2<sup>nd</sup> day was celebrated on Thursday 25<sup>th</sup> August'22. The first session was engaged by Guest Dr. Shashikala Wanjari, Former Vice Chancellor, SNTDWU, Mumbai, Frames of Reference serve a valuable purpose because they enable us to take in a wide variety of information, and process it based on our past. Your frame of reference matters a lot in how you interpret and what you choose said by the Guest Dr. Shashikala Wanjari. Later said that you might be attracted to this institution just by hearing its name and fame. Due to that frame of reference, a perception gets developed which will have a positive impact on you. That's the reason you chose this Shivaji College. An identity is who or what a person or thing is. Your identity is how you define who you are; it is also how others define you. Identity plays an important role in empowering individuals to exercise their rights and responsibilities fairly and equitably in modern society. Understanding the importance of identity is key to changing your life for the better. Your identity depends on the time frame you focus on: Do you define yourself based on your past; your identity depends on the time frame you focus on. Parental Influence, Home Environment, School Environment, Culture, and Family Treatment play a very key role in developing the personality. The bond and interaction between the teacher and student make teaching-learning more effective. The involvement of students in their favorite topic takes them towards expertise in that subject. Later on, in the next session, the Heads of various departments addressed the student.

3<sup>rd</sup> day was celebrated on Saturday 29<sup>th</sup> August'22. The first session was engaged by ACP Dr. Ashok Bagul. On August 27, Nagpur Police Commissioner Dr. Ashok Bagul directly interacted with the students and discussed various issues with them. There are many people in the world who have faced many failures in the early stages, but they have been able to achieve their goals through persistence, perseverance, and hard work. Dr. Commenting on the current situation of the new generation, Ashok Bagul appealed to the present students to stay away from bad habits. He also said that children should not forget the difference between good and bad while playing games, chatting, forming groups, doing video conferencing, or making tik-tok. He also said that students should use this medium positively as this is the era of follow, like and share. Talking to the students in a very humorous manner, Dr. Bagul interacted with students emphasizing the importance of discipline, study, continuity of studies, and the importance of games. Dr. Bagul, who has the experience of clearing many competitive exams with proficiency, provided guidance to the students which were very inspiring. Along with this, he also presented the topic of cyber security traffic rules in an interesting manner before the students and won their hearts. Later on, in the second session conveners of various committees addressed the student. At last, it was the time for which students were waiting, the cultural programme followed by

certificate distribution. The 3-day SIP programme ended by the Principal address. Convener of the Students Induction Programme (SIP) Prof and HOD of Dept of Physics S W Anwane, Co-convener Miss Pushpa Zamarkar and Dr Mrs P D Deshmukh along with all the faculty members were present during this student's induction programme (SIP).
