Demonstration of PL and FTIR characterization

Session 2023-2024

It is a matter of appreciation for the opportunity to serve as a consultant through the Sophisticated Instrument Laboratory (SIL) over the past two years (2021-22, 2022-23). It has been a truly enriching and rewarding experience for the CONSULTANCY that we have provided to researchers during this time. Dr. Shyamkant Anwane-*Professor and Head* and Dr Ms Shahin K Sayyad-*Assistant Professor* of Department of Physics have worked to conduct this activity.
