Certificate of Appreciation – Consultancy

It is a matter of appreciation for the opportunity to serve as a consultant for the Sophisticated Instrument Laboratory (SIL) during session 2021-2022. It has been a truly enriching and rewarding experience for the CONSULTANCY that we have provided to researchers during this time. Dr. Shyamkant Anwane-*Professor and Head* and Dr Ms Shahin K Sayyad-*Assistant Professor* of Department of Physics have worked to conduct this activity.

Working with the Instrument Laboratory has not only been professionally fulfilling but also personally gratifying. Your commitment to excellence and dedication to advancing research for the research students have facilitated activity and generated funds. Your team's passion, technical prowess, and relentless pursuit of knowledge are qualities that are noted.

Through this activity we have analyzed about 120 samples and generated grants worth Rs 12,000/-.
