

## SSES Amt's Science College, Congress Nagar, Nagpur

### Intra College Seminar and Quiz Competition

Session 2023-2024

**Intra College Seminar and Quiz Competition at Shri Shivaji Science College-Nagpur**

The Department of Physics at Shivaji Science College, Congress Nagar, Nagpur, organized an impressive Seminar and Quiz Competition on the 16th of October, 2023, with the support of the Physics Society. The event was inaugurated by Prof. Atul Bobde, and Dr. S.W. Anwane delivered an introductory speech, emphasizing the significance of such activities in the holistic development of individuals and in the acquisition of knowledge. Prof. Atul Bobde, in his presidential address, acknowledged the dedication of students and staff in organizing this event and officially inaugurated the program.

A total of 17 students, comprising both Undergraduate and Postgraduate students, participated in the Seminar Competition. Simultaneously, four teams named Einstein, Heisenberg, Maxwell, and Bose, each consisting of four students, took part in the Quiz Competition. The quiz encompassed multiple rounds with questions covering various facets of physics, including classical mechanics, electromagnetism, quantum physics, and modern physics. The questions were meticulously designed to challenge the participants' knowledge, critical thinking abilities, and problem-solving skills. Dr. S K Sayyad and Mr. B T Kumbhare served as judges for the Seminar Competition, while Dr. G L Jadhav supervised the Quiz Competition.

The first prize in the Seminar Competition was secured by Shradha Raut, a first-year M.Sc. student. The second prize was clinched by Sneha Sharma, a third-year B.Sc. student, and the third prize was awarded to Yugansh Kanoje, a first-year B.Sc. student. In order to motivate the participants, four consolation prizes were also awarded to Shrivats Pitale, Mandar Sulakhe, Ayesha Jabeen, and Soksham Dhok, all of whom exhibited competitive spirit.

The Quiz Competition was dominated by the Maxwell Group, comprising students Shreevatsa Pitale (B.Sc. III year), Sneha Sharma (B.Sc. III year), Jatin Karde (B.Sc. I year), and Divyani Daware (B.Sc. II year).

The participants demonstrated exceptional delivery, outstanding communication skills, and presented their topics with great finesse. They covered a diverse range of subjects in physics, including modern physics, astrophysics, and quantum physics. The entire event was skillfully coordinated by Mr. Yash Chaube, a second-year M.Sc. student, and office bearers of Physics Society.

The competition witnessed a substantial turnout, with attendance from all professors, teachers, and staff of the Physics department, as well as a large number of students. The event served as an excellent platform for the exchange of knowledge and ideas, and it undoubtedly contributed significantly to the intellectual growth of the participants.

This seminar and quiz competition undoubtedly highlighted the passion, dedication, and talent present within the Department of Physics at Shivaji Science College Congress Nagar, Nagpur. It was a resounding success, and we look forward to more such intellectually stimulating events in the future.
