1. OBJECTIVE OF THE MOU

The objectives of the MOU are:

- A. To provide technical training between the COMPANY and the INSTITUTION in Jointly beneficial areas towards technical development, training and assessment of the students.
- B. To promote and enhance academic interest between COMPANY and INSTITUTION.

2. PROPOSED MODES OF COLLABORATION

COMPANY and INSTITUTION (For Department mention above) propose to collaborate through the following

- A. Device training will be provided to the College & Department.
- B. We give a chance for an interview whenever manpower is needed to COMPANY.
- C. Cooperation and promotion of education and training in areas of mutual interest.
- D. We will provide a summer internship program to the selected students of Shri Shivaji Education Society Amravati's Science College, Congress Nagar, Nagpur in different fields, based on the area of specialization.
- E. We will provide industry projects for undergraduate & postgraduate students.
- F. Live Project Development

The inventiveness was created keeping the issues and concerns of the core industry at one end and challenges of the educational Institutions at the other end. As part of this initiative, V S Informatics has been nurturing the industry Educational Institutions interface through Live Industrial project and Real Time Development to ensure better industrial exposure.
