Birth Anniversary of S. R. Rangnathan

Date: 12/08/2023

Time: 12:15 pm

Shiyali Ramamrita Ranganathan popularly known as S. R. Rangnathan was born on 12 August 1892. He was a librarian and mathematician from India. His most notable contributions to the field were his five laws of library science and the development of the first major faceted classification system, the colon classification. He is considered to be the father of library science, documentation, and information science in India and is widely known throughout the rest of the world for his fundamental thinking in the field. His birthday is observed every year as the National Librarian Day in India.

S. R. Rangnathan Jayanti was celebrated in the library of SSES's Science College Congress Nagar, Nagpur in the presence of Principal Prof. M. P. Dhore sir. The convener and the members of Value education and extension activities along with the teaching and non-teaching staff of the college were also present during the program.

Hon'ble Principal Prof. M. P. Dhore sir along with the senior Professor, teaching staff while saluting to the S. R. Rangnathan by offering a floral wreath.
