**Report**

**26<sup>th</sup> January 2023 Republic Day Celebration**

**Date: 26<sup>th</sup> January 2023**

**Time: 8:00 a. m.**

**Republic Day** is a national holiday in India commemorating the adoption of the Constitution of India, and the country's transition to a republic which came into effect on 26 January 1950. The constitution replaced the Government of India Act 1935 as the governing document of India, thus turning the nation from a dominion into a republic post its independence from the British Raj in 1947. The constitution was adopted by the Constituent Assembly of India on 26 November 1949 and came into effect on 26 January 1950. The date was chosen as the Indian National Congress proclaimed Purna Swaraj (complete independence) on this day in 1930.

On behalf Shivaji Science College Congress Nagar Nagpur celebrated the 73rd Republic Day on January 26, 2022, in the presence of principal Prof M, P Dhore sir. The day holds importance because the Constitution of India came into force and India became a sovereign state on January 26, 1950. During this program all the professors, Head of the department, teaching and non-teaching staff were present.
