Program on Scholarship for Women in Chemistry and Allied Areas

Organized by Women Grievance Redressal Cell

2026-2027

Report

A **Scholarship Program for Women in Chemistry and Allied Areas** was organized at **Shri Shivaji Education Society Amravati's Science College, Congress Nagar, Nagpur**, on **6th August 2026**. The program aims to support women students from marginalized communities/low- income groups in Maharashtra to pursue education and career opportunities in research and entrepreneurship in new materials, Pharmaceuticals, Basic chemistry, Medicinal chemistry, Computational Chemistry and artificial Intelligence. The Chief Guest of the programme was Dr Sanjeev Patankar, Former Principal, Jaiswal College, and Career Councilor. The Chairman of the programme was Principal Dr. O. S. Deshmukh, encouraged the students to apply for different scholarship program and procure grants.

The Guest speaker Dr. Sanjeev Patankar highlighted the importance of providing financial assistance and academic encouragement to deserving women students. Dr. Patankar informed the students about scholarship program for academic research projects and entrepreneurship projects in product developments and Prototyping scheme and discussed about format, eligibility requirements, application procedure, scholarship opportunities, and the importance of utilizing such opportunities for their academic and professional development, e-Yuva portal and Pune Knowledge Center. The Guest emphasized on the significant contribution of women in the fields of Chemistry, scientific research, innovation, and technology.

The program was jointly organized by Women Grievance Redressal Cell, Department of Chemistry, Dept of Microbology and Department of Biotechnology. The convener of the programme was Prof Yogita Meshram, and Co-convener was Dr Pranita Gulhane. The program was compared by Ms Manasi Borkar. The program was concluded with a vote of thanks Dr Rashmi Urkude , Dr Priyadarshini Deshmukh, Dr Shubhangi Kene, Ms Shivani Sharma ,Ms Ashwini Bangirwar and other staff members were present. Total 60 students and staff members were present in the program. The initiative was appreciated as an important step toward empowering women students and promoting their participation in Chemistry and allied areas.
