# Intellectual Property Rights

## Brief Report on the Lecture on "Intellectual Property Rights"

On **February 26, 2020**, an insightful online guest lecture was organized on the topic of **Intellectual Property Rights (IPR)**. The lecture was delivered by **Dr. Rupali Mahakhode**, Assistant Professor, Department of Botany, at SSES's Science College, Nagpur. Dr. Mahakhode herself also served as the coordinator for the event, which was hosted by the **Botany Department** of SSES's Science College, Nagpur.

A total of **26 students** actively participated in the session, gaining valuable knowledge about the significance of IPR in protecting creative and scientific work. Dr. Mahakhode explained various aspects of IPR, including patents, trademarks, and copyrights, and their relevance to students' academic and professional careers.

### Action Taken:

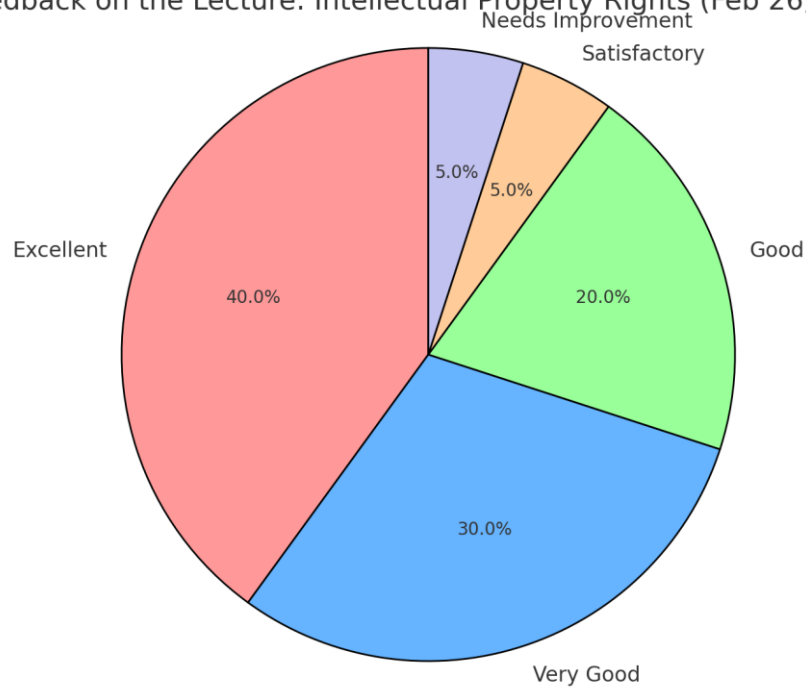

1. The feedback collected from students will be used to plan future sessions on advanced topics related to Intellectual Property Rights.
2. The students were encouraged to explore the process of copyright and patent filing to protect their innovative ideas and academic work.
3. A follow-up session on practical aspects of IPR filing was suggested.

### Feedback Analysis:

The students' feedback was gathered at the end of the session, focusing on the relevance of the topic, clarity of the presentation, and suggestions for future topics.

### Feedback on the Lecture: Intellectual Property Rights (Feb 26, 2020)

Here is the graphical analysis of the feedback collected from the participants after the lecture on **Intellectual Property Rights** delivered by **Dr. Rupali Mahakhode** on **February 26, 2020**.
