REPORT

Department of Botany, Shri Shivaji Science College, Nagpur organized an exhibition entitled “**ETHNO-PHYTO EXPO**” on 27th April 2022. Twenty one students were participated in exhibition. For this exhibition students collected over 40 different varieties of medicinal plants based on medicative properties& its products. The exhibition was divided into many zones i.e. Aromatic station, Wild plant station, Spice Station, Hydro station and Herbs station. The exhibition was inaugurated at the hands of Hon. Prof. N.M. Dongarwar, Dept. of Botany, PGTD, RTM Nagpur University, Nagpur by scanning the QR code prepared by the students as “**Exhibition at a Glance**”. Hon. Prof. M.P. Dhore, Principal was present as chairman of the function. Prof.R.N.Deshmukh, Head, Dept. of Botany, Dr. Mrs. R.H. Mahakhode, Convener and Prof. Mrs. P.S. Tiwari, Co-convener of the programme were present on the occasion. Prof. Mrs. R.D. Urkude and Prof. Mrs. R.A. Deshmukh were judged the exhibition. The techno savy generation of the department prepared QR code for the exhibition shows “exhibition at a glance” and every plant has its own QR code.

The winners of the exhibition were Samiksha Admane & Padmavati Dehury from Wild Plant Station Abhilasha Dudhpachare & Akshay Bhatkulkar from Hydro Station Yash Mahule & Aditi Giri from Spice Station Palak Mehta & Itisha Mothghare from Herb Station Aryan Bhothmange & Madhavi Mohod from Medicinal Station Tushar Mhashakhatri & Nidhi Manwatkar from Aromatic Station. Students and staff from other colleges and parents also visited the exhibition.

The Chief Guest of the program Prof. N.M. Dongarwar, addressed the gathering and enlightens the budding minds of students. He recalled “Aajibai cha Batua” during the exhibition. He congratulated the students for organizing such a nice and rare medicinal plant exhibition.

Prof. M.P. Dhore, Principal also appreciated efforts of the students for the success of the exhibition. He gave the message to the students that they realized the importance of conservation of plant. He urged to the students to grow at least one plant in a year by individual and conserve it properly.

Prof. R.N. Deshmukh, Head, Dept. of Botany also spoke on this occasion and focused on recent IPCC report 2022 and encouraged the students for reduction of carbon emission of using renewable energy sources like solar or wind energy by avoiding fossil fuel consumption.

Dr. R.H. Mahakhode, convener of the programme guided the young minds to understand the true meaning of sustainability and also to inculcate environment-friendly habits to lead a green lifestyle. She urged the students to take adequate steps for conservation of endangered plants.

Dr. Mrs. R.P. Sonwalkar, Ms. Monali Bulkunde was present on the occasion and students were taken pain taking efforts for the success of event. The programme was conducted by Ku. Sakshi Patil and Ku. Avanti Pusdekar. Ku. Vasu Madekar proposed the vote of thanks.

ATTENDANCE

Sr. No.	Name of Student	Plant Name
AROMATIC STATION		
1	Falguni Shivare	<i>Asparagus racemosus</i>
2	Falguni Shivare	<i>Rauvolfiaserepentina</i>
3	Nidhi & Tushar	Chandan
HERB STATION		
1	Aryan Bhotmange	<i>Aegle marmelos</i>
2	Chaitali Patil	<i>Bryophyllumpinnatum</i>
3	Itisha Motghare	<i>Clitoria</i>
4	Madhavi Mohod	<i>Ficus racemose</i>
5	Neha Chopde	<i>Carom</i>
6	Palak Mehta	<i>Liquor rice</i>
7	Sakshi Mohite	<i>Neem</i>
8	Savita Rao	<i>Aloe vera</i>
9	Thorvi Kubde	<i>Adhatoda</i>
10	Thorvi Kubde	<i>Cissus quadrangularis</i>
HYDRO STATION		
1	Abhilasha Dudpachare	<i>Pistia</i>
2	Akshay Bhatkulkar	<i>Typha</i>
SPICES STATION		
1	Aditi Giri	Bay leaf
2	Ayushi Hedau	<i>Fenugrek</i>
3	Sejal Nilatkar	<i>Turmeric</i>
4	Yash Mahule	<i>Clove</i>
WILD STATION		
1	Padmabati Dehury	<i>Euphorbia hirta</i>
2	Samiksha Admane	<i>Tridex procumbens</i>

ACTION TAKEN REPORT

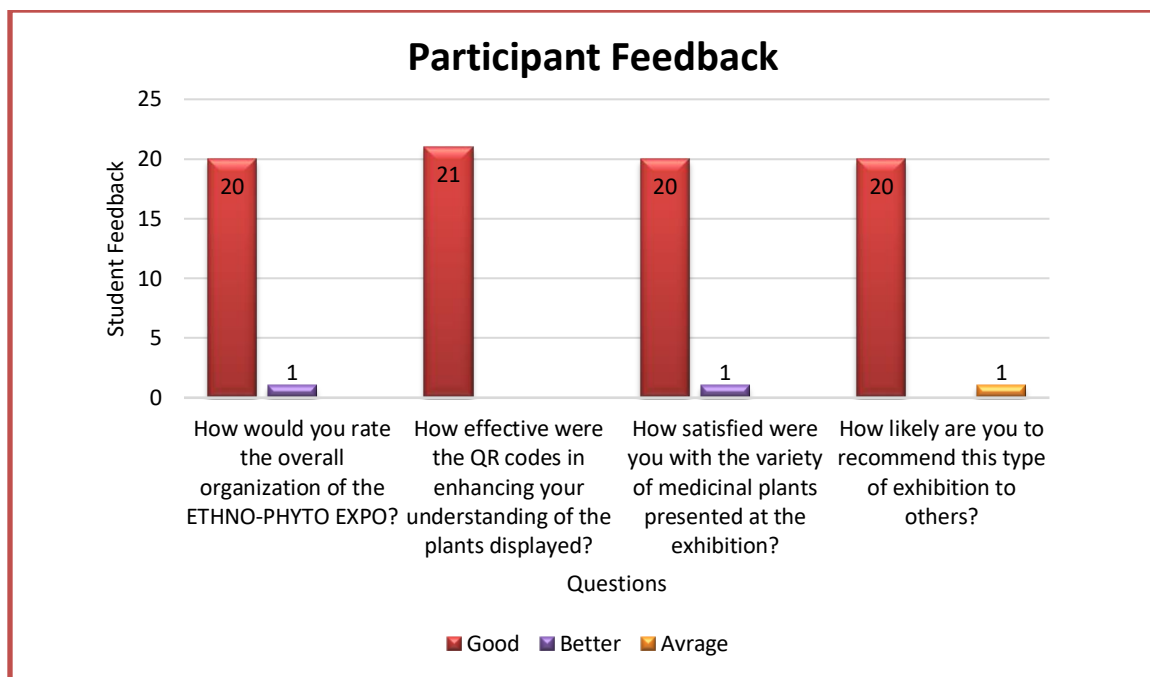

On April 27, 2022, the Department of Botany at Shri Shivaji Science College organized the "ETHNO-PHYTO EXPO," showcasing over 40 varieties of medicinal plants. Twenty one students were participated in exhibition. The exhibition, featuring zones like Aromatic, Wild Plant, Spice, Hydro, and Herbs stations, was inaugurated by Hon. Prof. N.M. Dongarwar from RTM Nagpur University. The event included QR codes for each plant and an "Exhibition at a Glance" QR code. Winners from each station were recognized, and the event attracted visitors from other colleges and parents. Chief Guest Prof. Dongarwar praised the students for their efforts, while Principal Prof. M.P. Dhore emphasized plant conservation. Prof. R.N. Deshmukh discussed the IPCC 2022 report, and Dr. R.H. Mahakhode highlighted sustainability and conservation. The program, conducted by Ku. Sakshi Patil and Ku. Avanti Pusdekar, concluded with a vote of thanks by Ku. Vasu Madekar.

FEEDBACK OF STUDENTS (Workshop Experience)

Sr. No.	Question	Response		
		Good	Better	Average
1)	How would you rate the overall organization of the ETHNO-PHYTO EXPO?			
2)	How effective were the QR codes in enhancing your understanding of the plants displayed?			
3)	How satisfied were you with the variety of medicinal plants presented at the exhibition?			
4)	How likely are you to recommend this type of exhibition to others?
