"WOMEN IN 21st CENTURY".

WOMEN'S IN 21ST CENTURY

Today, the present day is 4th of march 2019. This year is known as 21st century. I, you and everyone are living in the 21st century. The 21st century started from year 2001 and will end in year 2100. Now we are living in year 2019 which is a part of 21st century.

History of 21st century shows the progress, revival and advanced form of humanity of 21st century. The relation of human activity starts from year 1789 from 19th century. In early and mid 19th of century, education, science & technology developed. "Lionel" proposed first industrial revolution to establish i.e. "Theory of Natural selection" by Charles Darwin. "Darwinism" by Lombard. Here, I am going to talk about the humans and women of 21st century. Now things are different from the previous times in 19th century.

The scenario of woman in 19th century was greatly very different from today. The women in 19th century were generally confined at home if they do their work outside. They did not have right to vote. There was inequality

Women Empowerment.

The Name Of Topic : Women Empowerment.

"Empowerment of Women leads to development of a good family, good society and ultimately a good nation."

• Women empowerment is made up of the word "Women" and "empowerment". Empowerment stands for giving authority and power to women. It mainly refers to practice of making women independent so that they can make their own decisions as well as handle their lives without any restrictions. The main motive of women empowerment is to help stand equally with men, a giving women the ability to live a happy and respectful life in society.

• Women are empowered when they have unrestricted access to chance in education, profession, and life style. Empowering women is the most important factor in a country's over all growth.

• Need for Women Empowerment -

• Women were highly regarded during Vedic period. Women in ancient India were treated with respect, education and gratitude, with time the conservative British and middle eastern cultures, finished Indian culture as a result women's power and dignity were diminished.

3. Miss Gargi S Pohankar, Kamla Nehru Mahavidyalaya Nagpur, bagged third cash prize of Rs.500/-.
