## **Action taken Report on Visit to Raman science**

Educational visits help students to develop scientific view among the students. In view of this all the staff members, office bearers of Mathematics Society, and M.Sc. students of department of mathematics visited to 'Science Project Model Exhibition' RAMAN Science Center Nagpur on 16 January 2025. In this exhibition, students at many colleges explore various scientific ideas. Dr. V. T. Chauhan, Miss. Shraddha Zade, and total 14 students of Department of Mathematics participated in this visit.

Due to this activity students gained knowledge in various aspects and developed the new skill, which will definitely help in achieving their goals. The Raman Science Centre and Raman Planetarium Complex at Nagpur is an interactive science center affiliated with Mumbai's Nehru Science Centre. The center was developed to promote a scientific attitude, portray the growth of science and technology and their applications in industry and human welfare, and hold science exhibits. The center is named after famous Nobel Prize winner Indian physicist Chandrasekhara Venkata Raman. The Raman Science Centre was inaugurated on 7 March 1992 and the planetarium was started on 5 January 1997. The center is part of the National Council of Science Museums (NCSM), India which is also the largest network of science. Our nearly 14 students of M.Sc. Mathematics visited Raman Science Centre along with 2 teaching faculty Dated on 16/01/2025. All the students were directed to gather at college gate at 11:00AM. Principal of the college Prof. O. S. Deshmukh sir wished all the students best and safe journey. It was a new, interesting and informative experience for all of us. We visited the Raman Planetarium Complex also. We all had safe and enjoyable journey with lots of information. We reached back to the college at 5:00 pm.

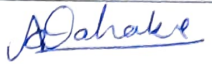

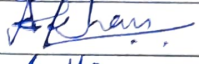

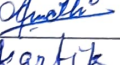

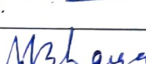

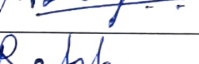

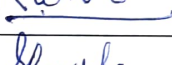

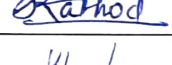

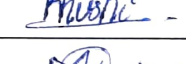

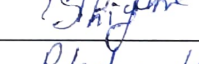

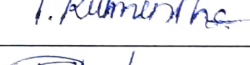

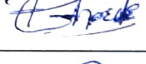

**Glimpses of One Day Visit to “Raman Science”**
