Educational visits help students to develop scientific view among the students. In view of this all the staff members, office bearers of Physics Society, B. Sc. Final year, B. Sc. first year and M.Sc. students of department of Physics visited to **‘Science Project Model Exhibition’ RAMAN Science Center Nagpur on 22 December 2023**. In this exhibition our students Mr.Yugansh Kanoje & Miss. Reetika Uikey from B. Sc. first year represented their model on **“Small Scale Particle Accelerator (LINAC) with machine learning and sound card based Detection” during 19 Dec 2023 to 23 Dec. 2023**. In this exhibition, students at many colleges explore various scientific ideas. Dr. S. V. Khangar, Dr. S. K. Sayyad, Mr. B. T. Kumbhare, Dr. G. L. Jadhav, Mr. Swapnil Belkhude, Miss. Kanchan Jivnapurkar, Miss. Chanda Jatgade and total 36 students of Department of Physics participated in this visit.

Action Taken Report :

The educational visit to the 'Science Project Model Exhibition' at RAMAN Science Centre, Nagpur, on 22 December 2023, was highly successful in achieving its goal of developing a scientific view among the students. The participation of our students, especially the representation of the "Small Scale Particle Accelerator (LINAC) with Machine Learning and Sound Card-Based Detection" model, was commendable and showcased the innovative spirit of our institution. This visit has undoubtedly enriched the students' academic experience and will encourage them to pursue further scientific endeavours.

Purpose of the Visit was to help students develop a scientific perspective by exposing them to various scientific models and ideas presented at the 'Science Project Model Exhibition' held at RAMAN Science Centre, Nagpur.
