Zoology department has celebrated national nutrition week from 1<sup>st</sup> September to the 7<sup>th</sup> September. The aim of the program was to promote healthy eating habits in the students. Through the national nutrition week students from the college try to educate to maintain their health and feel better. This year the theme of **National Nutrition Week 2019** is **The Crisis of Malnutrition In India**.

The guest lecture on Nutritional Neuroscience by **Dr. Trupti Khedekar** was organized to educate college students about the intricate relationship between nutrition and brain function. The event aimed to provide insights into how diet influences cognitive health and neurological well-being.

The objective of the National Nutrition Week is to enhance the nutritional practice awareness among people of the community through the adoptable training, timely education, seminars, different competitions, road shows and many other campaigns and to make a healthy Nation. She talked on how to maintain an effective immune system to avoid deficiencies of the nutrients that play an essential role in immune cell triggering.

Dr. S.S. Deshmukh introduced the guests. Dr. A.D. Bobdey, H.O.D of Zoology Department and teaching and non-teaching staff were present on this occasion.

**ACTION TAKEN:-**

1. **Increased Awareness:** Students gained a comprehensive understanding of the relationship between nutrition and brain health.
2. **Positive Attitudes:** The lecture helped dispel common misconceptions about diet and cognitive function.
3. **Active Participation:** Students expressed interest in pursuing further studies or careers in nutritional neuroscience.
