Action Taken Report for Earth Science Week 2025

Dates: October 7–9, 2025

Theme: "Energy Resources for Our Future"

Based on the success of this year's events, the Department of Geology will aim to expand its Earth Science Week initiatives in the following ways:

- **Extend outreach:** Partner with more local schools to increase the reach of educational activities.
- **Increase community involvement:** Develop a public field trip or "geowalk" focused on local energy or mineral resources.
- **Create digital resources:** Produce videos or online modules based on the lectures to be shared on the university website, ensuring
