NOTICE**

Date: 24-11-2025

All faculty members and students are hereby informed that the Department of Computer Science has organized a “**Workshop on UI/Ux Design Domain**” for Computer Science students. All Students are requested to be present for the Workshop in the College Conference Hall.

Date: 27/11/2025

Time: 11 PM

Everyone is requested to assemble in the Conference Hall at least 10 minutes before the scheduled time.

“Workshop on UI/Ux Design Domain”
Session 2025-26

The Department of Computer Science, Shivaji Science College, Nagpur, organized a **Workshop on UI/UX Design Domain** by **Mr. Ishwar Giriya CEO, IWORD Technology, Nagpur**. The workshop was organized with the objective of introducing students to the fundamentals of User Interface (UI) and User Experience (UX) design and to familiarize them with current industry practices. The program was conducted on 27/11/ 2025 at the BCA Lab of the college.

The program commenced with a welcome address by Prof. R. N. Jugele, Head of Department of Computer Science, who highlighted the importance of UI/UX design in modern software development and its growing demand in the IT industry. The resource person, an industry expert in UI/UX design, was formally introduced to the audience.

During the technical sessions, the resource person Mr. Ishwar Giriya CEO, IWORD Technology, Nagpur explained key UI/UX concepts such as design thinking, user research, wireframing, prototyping, color theory, typography, and usability principles. Students were also introduced to popular UI/UX tools like Figma and Adobe XD through live demonstrations.

A hands-on session was conducted in which students actively participated by creating simple wireframes and interface designs. Real-world case studies and examples were discussed to help students understand practical applications of UI/UX design concepts.

The workshop witnessed enthusiastic participation from undergraduate and postgraduate students of Computer Science. Students interacted actively with the resource person by asking questions and clarifying doubts related to design tools and career opportunities in the UI/UX domain.

Objectives:

The workshop was organized with the following objectives:

- To introduce students to the fundamentals of UI (User Interface) and UX (User Experience) design.
- To create awareness about UI/UX as a career option in the IT industry.

- To provide hands-on exposure to UI/UX design tools and methodologies.
- To enhance students' creativity, design thinking, and user-centric approach.

Outcomes of the Workshop

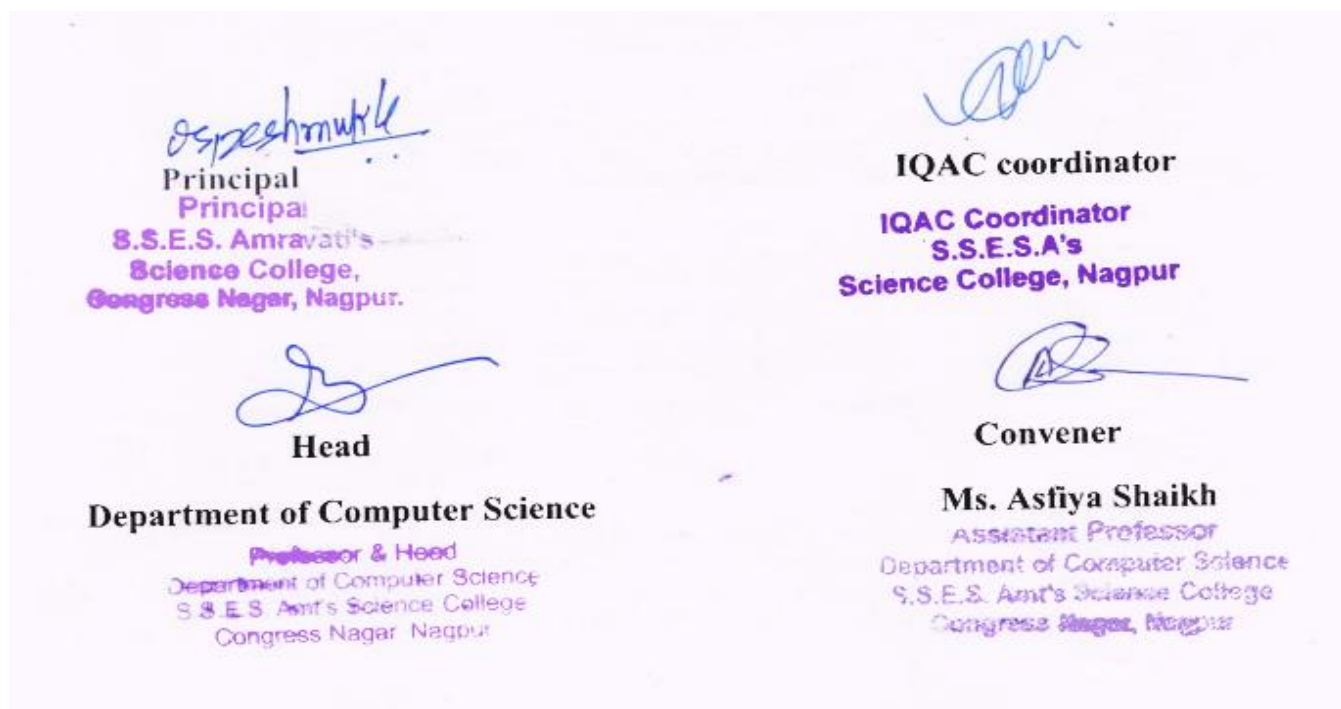

- Students gained basic knowledge of UI/UX design concepts.
- Participants learned how to create simple wireframes and prototypes.
- Students developed an interest in UI/UX as a career option.
- The workshop improved students' creativity and design skills.

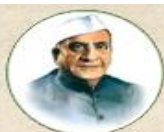

Vote of Thanks

The Workshop concluded with a vote of thanks by Ms. Asfiya Shaikh. The Department of Computer Science expressed gratitude to Mr. Ishwar Giriya for making the Workshop successful. The Workshop proved to be informative and inspiring for Computer Science students.

Action Taken Report:

- UI/UX concepts were reinforced in theory and practical sessions.
- Students practiced UI/UX tools like Figma and Adobe XD.
- UI/UX principles were applied in mini-projects and assignments.
- Career guidance on UI/UX opportunities was provided.
