Session 2024 – 2025

Department of Geology

Organised Subject Society Formation

on

“Science Association Day”

Date: 10th August 2025

Time: 11:00 – 2:00 PM

Department of Geology, SSES's Science College, Nagpur organized subject committee formation on 10th of August 2025 at 11:00 AM. The Programme started in the presence of Principal Dr O. S. Deshmukh and other all department heads, teaching staff and students in the conference hall. All three years Geology students and faculty members were present in the hall. On the occasion of the Science Association, all students of respective subject committees were felicitated by the guest.

Action Taken Report on Geological Subject Society Formation

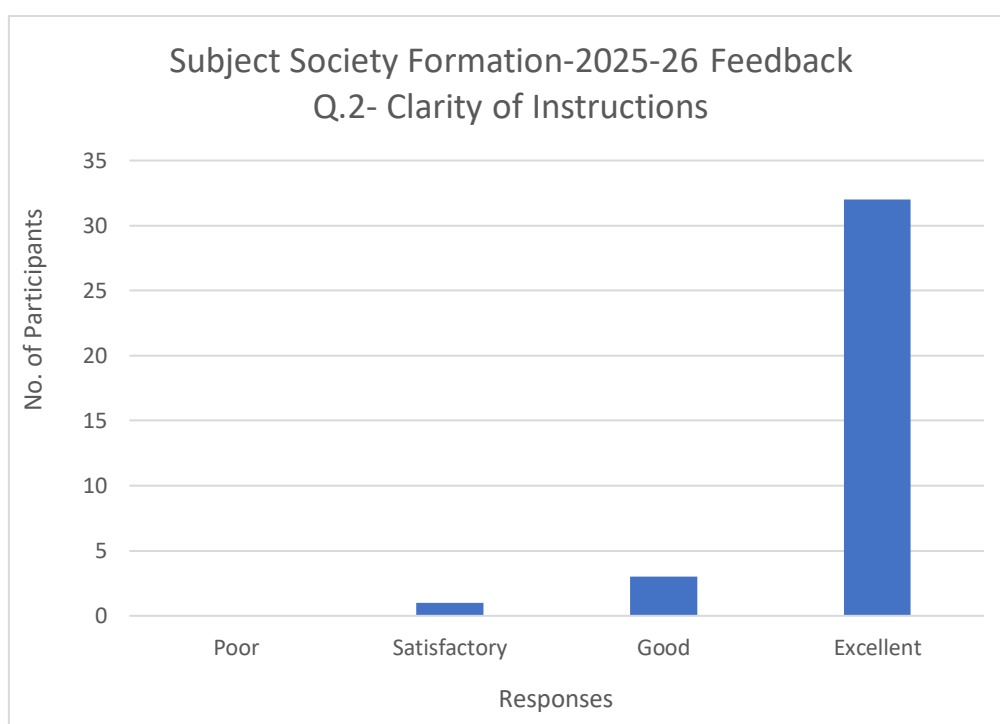

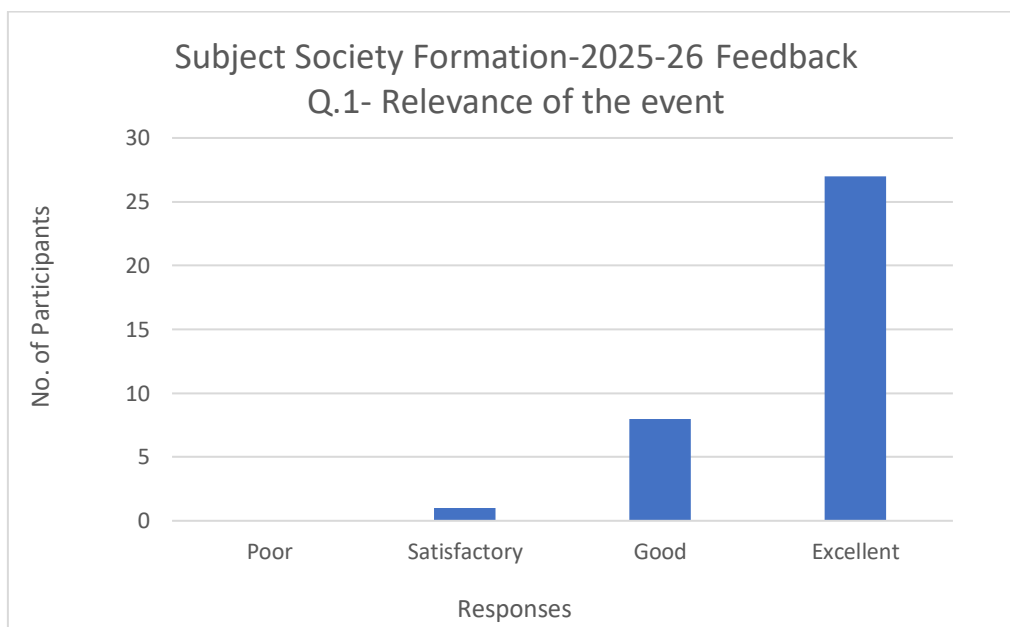

All the students who are interested in leadership become able to enhance their leadership skills and take initiative in all the activities of the department related to the subject. Students become able to enhance their communication skills as well. All three years Geology students and faculty members were present in the hall. On the occasion of the Science Association, all students of respective subject committees were felicitated by the guest and this time the program will be organised in future too. The Discussion was held to develop students leadership skill and prepare them for the different programs.

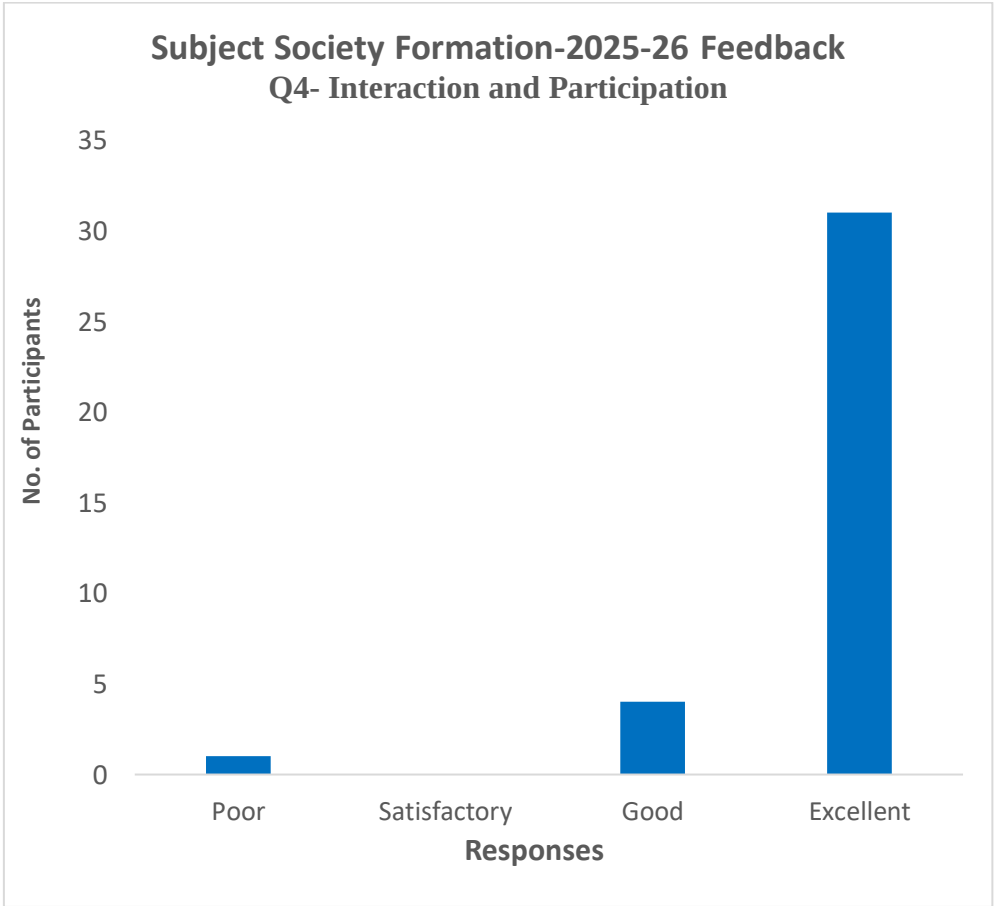

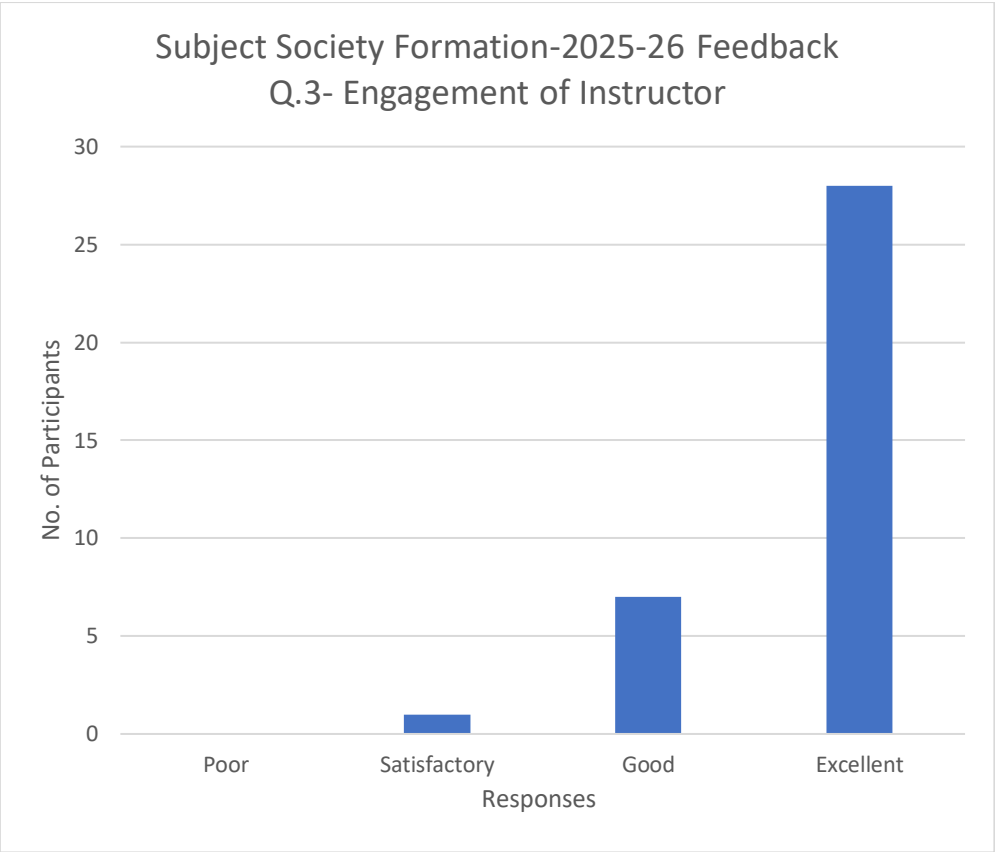

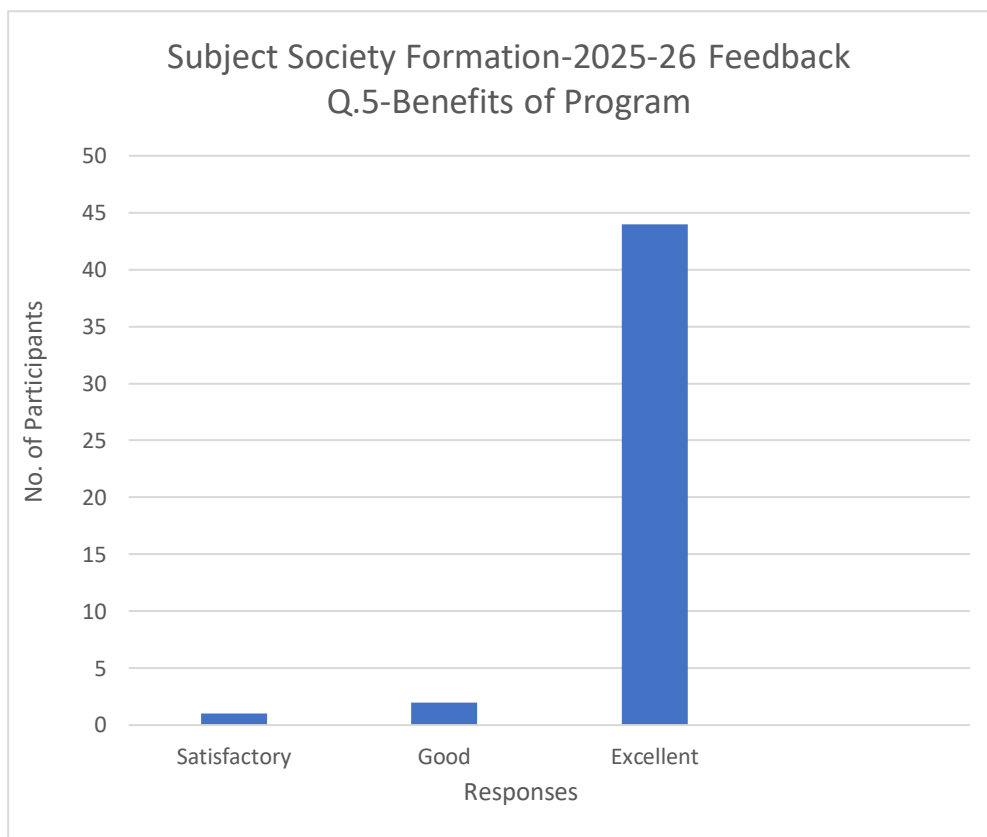

All the Office Bearers along with the guest and Principal

Feedback

After successful completion of the program feedback from all the present students was collected. Analysis of feedback were done and after feedback analysis following observation noted remarkably.
