**Seminar on Higher Studies**  
**Session 2024-25**

Department of Computer Science, Shivaji Science College Nagpur Organized a Seminar on Higher Studies for M.sc, MCA, B.Sc. and BCA Students on 31/08/2024. Total 100 Students along with Faculty members attended the seminar. The guest of the program H R Lalit Gunani was welcomed by Prof S. R. Pande sir. The Guest speaker corporate relations manager at H R Mentors and Overseas Mentors addressed the students about preparation of interview. In a one to one interaction with students he told about how to introduce yourself in front of interviewer. He also explained students to understand their strength and weaknesses as well as how should they present themselves in formal way in interview. The program was conducted by Mrs. Asfiya Sheikh. The entire event was coordinated with the support of the Principal, Faculties and Technical support team.

**Outcome of the Seminar on Higher Studies**

The seminar on higher studies provided students with valuable information and guidance about various opportunities available after graduation. Experts and speakers explained different postgraduate programs, professional courses, entrance examinations, scholarships, and study-abroad opportunities. Students gained awareness about admission procedures, eligibility criteria, career prospects, and the importance of choosing the right specialization based on their interests and career goals.

The seminar also motivated students to pursue higher education and encouraged them to plan their academic and professional careers effectively. It helped students understand the importance of skill development, research, internships, and continuous learning for achieving success in their chosen fields. Overall, the seminar was informative, interactive, and beneficial in helping students make informed decisions about their future studies and careers.

## Action Taken Report

The seminar on Higher Studies was successfully organized to guide and motivate students regarding various opportunities for pursuing postgraduate education and professional courses. The information shared during the seminar was communicated to the students, and they were encouraged to explore suitable higher education options according to their interests, skills, and career goals.

Students were advised to gather information about admission procedures, entrance examinations, scholarships, fellowships, and study-abroad opportunities. They were also encouraged to develop the necessary skills and prepare for competitive examinations and higher education entrance tests.

The queries raised by students during the seminar were addressed by the resource persons. Relevant information and guidance were provided to interested students for further assistance. Students were encouraged to make informed decisions regarding their academic and career paths.

Overall, the seminar created awareness among students about higher education opportunities and motivated them to pursue further studies for better academic and career growth.
