on

**Bridging the Gap between College and Industry: Technology and
Internship Opportunities**

Session 2025-26

The Department of Computer Science at Shivaji Science College, Nagpur, organized a workshop titled "Bridging the Gap Between College and Industry: Technology and Internship Opportunities." The session was conducted by Mr. Santosh Selukar, Director of SSIT, Nagpur. The primary objective of the workshop was to create awareness among students about the latest trends in the IT industry and the various opportunities available to them, including internships and career pathways. During the session, Mr. Selukar highlighted the growing importance of Data Analytics and Visualization demonstrated the use of essential tools such as SQL, Tableau and Power BI. The workshop also included hands-on training where students learned how to create interactive Transport data dashboards using Power BI. He explained key analytical concepts in detail, including the difference between reports and dashboards.

Additionally, Mr. Selukar discussed the relevance of modern development frameworks such as Django and Laravel, emphasizing their importance in current industry practices.

The workshop was attended by students from B.Sc., M.Sc., BCA, and MCA programs along with their respective faculty members. The event was successfully conducted in the presence of Respected Prof. Dr. R. N. Jugele, Head, Department of Computer Science, and the convenors Dr. M. T. Wanjari and Mr. A. A. Bodkhe. Program management was handled by Mrs. A. A. Chandekar while anchoring and vote of thanks were delivered by Ms. S. S. Saygaonkar and Mrs. N. V. Selokar.
