"एक पेड़ भारत माँ के नाम"

An Initiative by

DEPARTMENT OF BOTANY

In honor of our nation's Independence Day, we are excited to launch the "Ek Ped Bharat Maa Ke Naam" program at Shri Shivaji Science College. This initiative is a call for environmental conservation by encouraging individuals to plant trees as a tribute to their heritage.

How to Participate:

- **Bring a Plant:** Students are encouraged to bring a plant to the campus. The plant can be of any variety suitable for local conditions.
- **Tricolor Touch:** Adorn the plant's pot with tricolor stickers to signify our national pride and the spirit of Independence Day.
- **Planting Ceremony:** Participate in the collective planting ceremony, where each plant will be dedicated as a tribute to our nation.

Purpose of the Initiative:

- **Promote Environmental Stewardship:** Engage in a meaningful activity that contributes to the environment and enhances campus greenery.
- **Celebrate National Pride:** Integrate patriotic fervor with environmental consciousness by linking tree planting with our nation's independence.
- **Create a Green Legacy:** Contribute to a sustainable future by adding to the green cover of our campus.

Join Us in Making a Difference

Let's come together to celebrate our freedom by planting trees that will grow and flourish as a symbol of our commitment to preserving our environment for future generations. Your participation not only honors our nation but also supports a greener, healthier planet.

Report on "Ek Ped Bharat Ma Ke Naam"

Date: August 15, 2024

Location: Shivaji Science College, Nagpur

Organized by: Botany Department

In a commendable initiative promoting patriotism and environmental awareness, the Botany Department of Shivaji Science College Nagpur celebrated Independence Day with the program titled "Ek Ped Bharat Ma Ke Naam." This event serves as a call for environmental conservation, encouraging individuals to plant trees as a tribute to their heritage.

The program commenced with the hoisting of the National Flag, followed by the singing of the national anthem, fostering a profound sense of patriotism among attendees. Hon'ble Principal Dr. O.S. Deshmukh addressed the gathering, emphasizing the importance of plants in maintaining ecological balance. He remarked that planting a sapling is both an act of environmental stewardship and a tribute to the motherland.

To participate, students were encouraged to bring a plant to the campus, selecting varieties suitable for local conditions. Participants adorned their plant pots with tricolor stickers, symbolizing national pride and the spirit of Independence Day. The event featured a collective planting ceremony, where each plant was dedicated as a tribute to our nation.

Dr. Punita Tiwari, Head of the Botany Department, expressed pride in the department's efforts to promote environmental sustainability. She highlighted the significance of tree planting for a greener future and emphasized the collective responsibility we share towards our environment. Faculty members Dr. R. H. Mahakhode, Dr. S.S. Deshmukh, Dr. Reshma Sonwalkar, Mr. P.R. Sharma, Ms. Shruti Agrawal, Mr. Swapnil Fuse, and Ms. Aishwarya Zure also contributed to the event's success.

Outcomes:

Increased awareness among students and faculty about the importance of tree planting and environmental stewardship. Strengthened community spirit and involvement in sustainability initiatives. Successful participation in the planting ceremony, with numerous plants brought by students.
