“Cyber Security Awareness Program”

Session 2025-26

The Department of Electronics, Computer Science & Statistics organized a "Cyber Security Awareness Program" on Wednesday, 12th September 2025 in the College Conference Hall. The primary objective of this initiative was to educate students on the importance of cyber security, familiarize them with common online threats and equip them with the knowledge and tools needed to protect their personal and academic information in today's digital landscape. The session featured expert speakers from Maharashtra Cyber and Quick Heal Foundation, including Mr. Vaibhav Dakhole, Ms. Kiya Gajbhiye and Ms. Kanak Shukla, who delivered insightful presentations and interactive sessions on real-world cyber threats, preventive strategies and digital safety practices.

The program was successfully coordinated by Dr. Shilpa R. Gedam and Dr. J.K. Keche, who ensured smooth organization and active participation. The event was held under the guidance of conveners Mrs. P.A. Bire and Mrs. S.Y. Maske, Ms. Asfiya Shaikh whose efforts were instrumental in bringing this important initiative to fruition.

The session aimed to bridge the gap between technology use and security awareness, encouraging participants to become more vigilant and informed digital citizens.

Objectives:

The main objectives of the program are to identify threats, prevent them & report Cyber-Crime, respect online decorum and safeguards in virtual world.

Action Taken Report: The Cyber Security Awareness Program was planned by the Department of Electronics, Computer Science & Statistics. Program coordination was managed by Dr. Shilpa R. Gedam and Dr. J.K. Keche. The program was convened under the supervision of Mrs. P.A. Bire and Mrs. S.Y. Maske. Experts from

Maharashtra Cyber and Quick Heal Foundation were invited as guest speakers. The program commenced at 1:00 PM, with all students and faculty assembled in the Conference Hall. The session began with a welcome address and introduction of the guest speakers. The speakers conducted detailed sessions on:

- Cyber threats and their real-world implications
- Data protection and privacy
- Social engineering and phishing attacks
- Best practices for digital safety
- Interactive Q&A sessions were held, where students raised relevant queries and gained practical insights.

The program saw enthusiastic participation from students across various departments. Attendance was recorded, and feedback was collected to assess the effectiveness of the session.
