**“Seminar on Career Pathways and Professional Growth”**  
**Session 2025-26**

The Department of Computer Science, Shivaji Science College, Nagpur, organized a seminar titled “Career Pathways and Professional Growth” by Mr. Sudhir U. Koche, Director, Softronix, Nandanvan Nagpur on 05 January 2026 for students of Computer Science in the College Conference Hall. The objective of the seminar was to create awareness about various career opportunities, emerging trends, and professional skills required in the field of Computer Science.

**Objectives:**

- To create awareness among students about various career pathways available after graduation.
- To guide students in identifying suitable career options based on their interests and skills.
- To provide insights into professional growth, skill development, and industry expectations.
- To familiarize students with opportunities in higher education, competitive examinations, and certifications.
- To motivate students towards career planning and lifelong learning.
- To enhance students' understanding of employability skills and professional ethics.

**Resource Person**

The seminar was conducted by an eminent resource person Mr. Sudhir U. Koche, Director, Softronix, Nandanvan Nagpur, who shared valuable insights on career options such as software development, data science, cybersecurity, higher education, and competitive examinations.

**Proceedings of the Seminar**

The program commenced with a welcome address by the Prof. R. N. Jugele Head of the Department of Computer Science. The resource person guided students on career planning, skill development, certification courses, internships, and the importance of continuous learning. Interactive discussions and a question-and-answer session helped students clarify their career-related doubts.

**Outcome of the Seminar**

The seminar benefited students by:

- Enhancing awareness about diverse career pathways
- Providing guidance on professional growth and skill enhancement
- Motivating students to plan their careers effectively
- Encouraging students to pursue higher studies and industry-relevant skills

## Vote of Thanks

The seminar concluded with a vote of thanks by Ms. Asfiya Shaikh. The Department of Computer Science expressed gratitude to the resource person and participants for making the program successful. The event proved to be informative and inspiring for Computer Science students.

## Action Taken Report:

Based on the discussions and guidance provided during the seminar on “Career Pathways and Professional Growth”, the following actions were initiated by the Department of Computer Science:

- Students were encouraged to prepare individual career plans based on their interests and strengths.
- Guidance was provided to students regarding higher education opportunities, competitive examinations, and professional certification courses.
- Students were motivated to enrol in skill-based training programs, internships, and online courses relevant to their career goals.
- Career guidance materials and resources were shared with students for future reference.
- Faculty members offered mentoring and counselling support to students for career-related guidance.
