The Department of Microbiology and Biotechnology successfully organized an Intercollegiate Scientific Model Competition on the occasion of National Science Day, centered on the theme “*Women in Science: Catalysing Viksit Bharat.*” The event aimed to highlight the crucial role of women in scientific advancement and their contributions toward building a developed and self-reliant India. The competition witnessed enthusiastic participation from students across various colleges, who presented innovative and thought-provoking models addressing contemporary scientific challenges. The models showcased a diverse range of topics, including sustainable development, healthcare innovations, environmental conservation, biotechnology applications, and space science, all viewed through the lens of women-led contributions and leadership.

Scientific Model making competition was conducted under the chairmanship of Hon’ble Prof. Omraj Deshmukh Sir, Principal, Science College, Nagpur, Coordinator-Respected Prof. Atul Bobdey and Convener-Dr. Pranita Gulhane. Dr. Priyadarshani Deshmukh and Dr. Bhupendra Kumbhare were the judges of the program. The winners of the program were – first prize (Vidhi Jaiswal and Vallari Pusadkar from Shivaji Science College, Nagpur), second prize (Daksh Gupta and Shravan Chouhan from Shivaji Science College, Nagpur) and Third prize (Hiteshi Inkane and Dimple Khode).

Action Taken: The competition provided a valuable platform for students to engage with contemporary scientific issues, and it highlighted the potential for future breakthroughs in biotechnology and microbiology. Total 58 students participated in the competition and the event was a resounding success, with students gaining valuable insights and recognition for their work.
