A guest lecture entitled “Diabetes Awareness Programme” was organized by the department of Microbiology and Biotechnology, Shivaji Science College, Nagpur. The guest speaker of the programme was Dr. S. Kumar. The guest lecture organized by the Microbiology and Biotechnology Department successfully achieved its objectives of awareness regarding diabetes and other health related issues related to diabetes. This awareness guest lecture was conducted under the chairmanship of Hon’ble Prof. Omraj Deshmukh Sir, Principal, Science College, Nagpur, Coordinator-Respected Prof. Atul Bobdey and Convener-Dr. Pranita Gulhane. A total of 276 students from UG, PG Microbiology & Biotechnology department attended the guest lecture.

Action Taken: The competition provided a valuable information for students to deal with diabetes. Total 276 students attended the guest lecture and the programme was a resounding success, with students gaining valuable insights related to health issues and solutions regarding diabetes.

FROM THE COLLEGES

Shivaji Science College

THE Department of Microbiology and Biotechnology, Science College, Nagpur, in association with the Mumbai-based Appropriate Diet Therapy Centre, recently organised a guest lecture on 'Diabetes Awareness' at the college conference hall. The programme aimed to address India's alarming rise in diabetes cases, with experts warning that the country is on track to become the world's diabetes hub by 2030.

Renowned speaker and recipient of Bharat Gaurav Award Dr S Kumar (Scientist) and Dr Bhagyashree S, Director delivered informative sessions covering prevention, early diagnosis, and dietary management.

Students and faculty were educated about key diagnostic tests such as fasting blood sugar, HbA1c, and oral glucose tolerance tests, along with lifestyle and dietary changes to prevent and control the disease. Principal Dr Omraj Deshmukh, Co-ordinator Prof Atul Bobdey, and Convenor Dr Pranita Gulhane lauded the initiative, stressing the urgent need for awareness to combat lifestyle-related illnesses. The programme was attended by all teaching faculty of the Department of Microbiology and Biotechnology who actively participated in the discussions. The event concluded with an interactive Q&A session, leaving participants more aware, inspired, and motivated to adopt healthier living practices.
