**DEVELOPMENT AS PER NEP 2020**

**Date: 25<sup>th</sup> March 2026**

The Department of Microbiology, Science College, Nagpur, under Shri Shivaji Education Society, Amravati, successfully organized an Inter-Collegiate Workshop – 2026 on the topic "Bioinnovation & Bioentrepreneurial Skills Development as per NEP 2020" on 25th March 2026. The event was organized under the guidance of Dr. Omraj Deshmukh, Principal, and coordinated jointly by Prof. Atul Bobdey and Convener Dr. Pranita Gulhane.

The workshop aimed to create awareness among undergraduate and postgraduate students about the emerging concepts of bioinnovation, entrepreneurship in life sciences, and the opportunities offered through the implementation of the National Education Policy (NEP) 2020. The program emphasized the importance of innovation, startup culture, skill development, and industry-oriented learning in biotechnology and microbiology.

The workshop featured an insightful session by Dr. S. D. Patankar, Former Principal of S. S. Jaiswal College, Arjuni Morgaon, who highlighted the importance of bioinnovation, entrepreneurship, intellectual property rights, startup opportunities, and career prospects in biotechnology. The interactive session, attended by students and faculty members from various colleges, provided valuable insights into research commercialization and skill development in alignment with NEP 2020. The program concluded with a vote of thanks, leaving participants motivated to pursue innovation and entrepreneurial excellence.

**Action Taken**

A total of 180 participants enthusiastically engaged in workshop, students were encouraged to develop innovative project ideas aligned with NEP 2020 and explore entrepreneurial opportunities in biotechnology. They were motivated to participate in startup and innovation programs, undertake skill-based learning, and apply research for societal and industrial benefits. The Department also resolved to organize similar workshops, expert lectures, and hands-on training programs on a regular basis to strengthen innovation, entrepreneurship, and career-oriented skills among students.
