Seminar on "Faculty Profile Updation on College Website"
By Dr. M. T. Wanjari,
Assistant Professor, Department of Computer Science
Session 2025-26

The Department of Computer Science, Shivaji Science College, Nagpur organized a training program on 05/12/2025 regarding the updating of faculty profiles on the college website. Faculty members from various departments, along with their respective Heads of Departments, attended the session.

The primary objective of the training program was to provide hands-on training on the process of accessing and updating individual faculty profiles on the college website. The website contract has recently been renewed and assigned to Diamond Webs Website Developers. With the renewal, the website interface has been redesigned, and each department has been provided with a unique user ID and password to access their personal profile.

The session offered clear guidance on how department can log in using their credentials and manage their profile information effectively. The program was successfully conducted by Dr. M. T. Wanjari, Assistant Professor, Department of Computer Science.
