How to join online class using Google Meet
(For Students)

Google Meet

Instructions and Steps:

1. Students can use Laptop/Desktop computer or Android mobile phone.
2. Make sure you have good Internet Connection.
3. Make sure your phone or laptop is fully charged in order to avoid switch off during online classes.
4. Download and install the Google Meet App from Google Play Store.
5. You have to click on Subject-wise Google Meet link to join the Online Class.
6. On your device, tap the Google Meet app and click on "Ask to join".
7. Your subject teacher gives you access, you will **join** it.
8. Mute your microphone in online class. If you want to ask any question to teacher then you can put your microphone ON.
9. Your Attendance Record will be automatically recorded in respective Teachers Attendance Sheet spread sheet.

Principal,
Prof. M. P. Dhore
