### 2.7 Student Satisfaction Survey

2.7.1 Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as weblink)

The college has not conducted Student Satisfaction Survey (SSS) during the year 2017-18. The College has the mechanism for analyzing feedback from different stakeholders on overall institutional performance. A feedback from the students is obtained through feedback forms containing questionnaire on various aspects viz. curriculum, sports, facilities in the department, involvement of teachers etc. The feedbacks and suggestions received are placed before the Principal for corrective measures from time to time. The issues facilitating the students responses are resolved promptly.

**Students:** A questionnaire containing 7 parameters is prepared to obtain feedback from students to find out the image of the college. A random sample of 150 students is considered. Students have shown their satisfaction in almost all aspects covered in the Feedback form
